---

All,

I have attached Plaintiffs'/Claimants' damages calculations with the Pro Drivers losses added, as well as supporting documentation. I will bring hard copies of these documents tomorrow, and Ms. Scott will bring the verifications.

On another note, we are in receipt of Respondents' Rule 37 letter. We are reviewing that correspondence and will provide a response later this week with our position on the issues raised in the letter. In the meantime, if you feel the need to file a motion for an extension of time to engage in discovery motion practice, we are happy to consent to such a motion.

Finally, please let us know if you will consent to providing Claimants a 2-week extension of time to serve their responses and objections to the discovery requests served in the arbitration.

Regards,

Dan
